

PHUKET CRUISERS PARTY 2016

12 January at Phuket Yacht Haven

Photography by Jessi Cotterill

"We feel very welcome in Phuket and scheduled the party in our diary in June of last year."

For the fourth consecutive year Sevenstar Yacht Transport organised a successful get-together for world cruisers in Phuket hosted by Phuket Yacht Haven. Some 130 guests joined the party at the completely revamped marina where free food and drinks were served against the awesome backdrop of hundreds of yachts moored at the marina and the elegant performance of traditional Thai dancers.

Every year many cruisers arrive in Phuket after extensively having explored the wonders of the South Pacific and Southeast Asia. Phuket is the natural location for a longer stop-over before deciding on future voyages. The charming hospitality of the Thai people, the exquisite food, good berthing-, refit- and medical facilities and the ample opportunity for discovering the beauty of this tropical country, make cruisers very often stay a full season (or more) in Phuket.

The Phuket Cruisers Party has grown into a focal point on the cruising community's calendar. It is a re-union for world sailors who have travelled passages together and a great opportunity to gather and share information for future sailing plans, whether in Thailand, greater Asia or to further-away destinations.

TAT welcomed guests with information on Thailand, Sail Malaysia and Sevenstar Yacht Transport highlighted yacht transport options to the Mediterranean, the USA and Australia. The yearly event is sponsored by Sevenstar Yacht Transport, Phuket Yacht Haven and the Tourism Authority of Thailand and endorsed by Sail Malaysia and Tourism Malaysia. During the evening representatives of these organisations were available for questions and suggestions.

See you again in January 2017!
